

Ear cut outs– 6 pairs per sheet, print out one pair for each student

Instructions:

1. Give a pair of ears to each student to cut out.
2. Students will then put their names put on back of both ears.
3. Get students to color the ears.
4. Then place into box/shoe box.
5. Pull an ear out of the box and ask that student to repeat what you had just talked about/said. If they reply correctly they glue their ear onto their self portrait, if incorrect drop ear back in shoe box.
6. Continue throughout the week until all ears have been given out and placed on their portraits.
7. Portraits are then sent home for signing by parent and returned back to teacher.
8. When portrait returned/signed give out certificate.
