

Community

Students need to understand that bullying is a community problem.
Bullying happens everywhere.

Have your students write down all the areas where bullying occurs
outside of their school.

Bullying on sports teams - How do coaches and parents bully.

Discuss bullying at the park – Corner of street – Variety Store.

Talk about the importance of speaking up to the police when they see
someone being bullied in their community.

Talk about workplace bullying and why they think it happens.

What is our role as bystanders in our communities?
